## THE PASSION CAMPAIGN

Created after working in the Regent Park neighbourhood since 2006, our goal is to bring new awareness of the needs of the poor and homeless to the public.

We have partnered with thirteen (13) charitable organizations whose primary focus is to help those in need without regard to their creed, religion, colour or other identifying attributes.

These charities tend to the hungry, cold, poor and homeless living on the streets of Toronto - and they need your help.

**About Us**

Fred Victor Centre started in 1894 as an outreach mission of the Methodist Church at the corner of Queen and Jarvis Streets. Its mandate was to address the basic needs of homeless and transient men. Today, we are a multi-service organization and a registered charity, with a mandate to provide assistance to men and women who live in extreme poverty and are marginally housed or homeless. Our Mission Statement is: To offer a continuum of community services, housing options and advocacy for adults who are experiencing homelessness, marginalization and poverty.

Through its programs and services Fred Victor Centre helps people to address their essential needs for food, shelter, and social contact – the basic requirements for survival. Once these needs are met, they can begin to focus on their hopes and dream for a better future. People are able to rebuild their lives by having meaningful involvement and purpose, as well as the opportunity to develop their skills and capacity.

THE GOOD NEIGHBOURS' CLUB  
75 Years of Service

### We're the Good Neighbours' Club

We're the Good Neighbours' Club, a registered charity quietly serving over 5,000 disadvantaged, unemployed or unemployable, marginally-housed and homeless men, over the age of 50 in Toronto. We've been operating in the heart of Toronto since 1933.

### Watch our Video

The best way to learn about the Good Neighbours' Club is to watch our video below. There are two parts, each about six minutes long. Narrated by radio personality Henry Shannon, the video gives a compelling overview of the plight of older men from all walks of life. You will step through the doors of the club that provides these men with a safe haven, basic necessities, practical and health assistance, and friendship. Members tell, in their own words, what the Good Neighbours' Club means to them.
